

Associated General & Dealer Underwriting Agency Pty Ltd Family Violence & Supporting Vulnerable Customers Policy

Family violence is a complex issue that is present throughout our communities. Associated General & Dealer Underwriting Agency Pty Ltd (AGD) is committed to supporting people affected by family violence and treating them with the utmost dignity and respect.

We recognise that family violence means much more than physical violence. It includes emotional abuse, psychological abuse, sexual abuse, financial or economic abuse and damage to property.

Our priority is to ensure that whenever family violence is identified or suspected, the safety of the customer affected by family violence and their family is protected and we are committed to supporting you.

Helping Customers

We will be flexible and vary our approach based on customers' individual circumstances, including providing personalised support. AGD can assist customers experiencing family violence by:

- ensuring safe and confidential communication in light of individual circumstances;
- helping to set up new insurance policies;
- helping to arrange access to financial hardship assistance; and
- referral to specialist support services.

Our Employees

Our employees and third-party providers are trained so that they can deal appropriately and sensitively with customers affected by family violence.

We are committed to training our employees to help them:

1. understand if a customer may be vulnerable;
2. determine how best to support a vulnerable customer;
3. take account of a customer's particular needs or vulnerability; and
4. engage with a vulnerable customer with sensitivity, dignity, respect and compassion. This may include arranging additional support and referral to specialised people or services.

Service Suppliers

AGD will ensure that our service suppliers who deal directly with customers, such as loss assessors, are also trained to deal appropriately with cases of family violence.

Privacy

We recognise that ensuring customers' personal information is kept private and secure is essential in family violence situations. At all times, we will ensure customers' personal and sensitive information is treated with confidentiality. For further information please refer to our Privacy Policy.
